

TECHNOLOGY THAT GOES THE DISTANCE

WHEN THE ISOBARS ARE DOWN, ISO-940 GOES ON

100% waterproof and breathable using the latest in outer fabrics to withstand the rigours of farming life and recreation on the weekends, keeping you dry & comfortable.

TUFF OUTER FABRIC

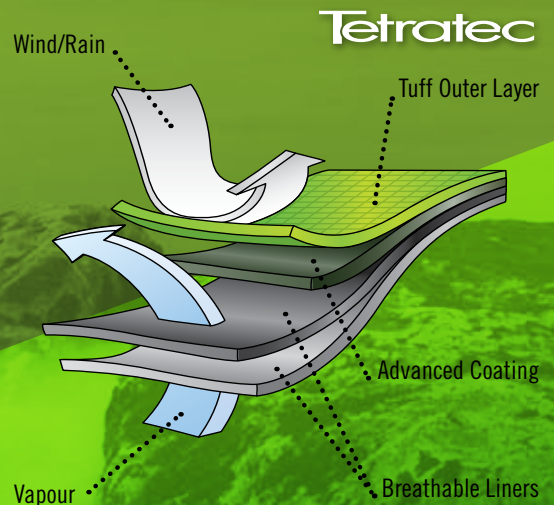

High denier rating for abrasion resistance & 100% waterproof. Rip-stop thread to give you the ultimate protection.

ADVANCED COATING

Bonded to the outer fabric ensures the garment is 100% waterproof with all seams & stitching seam-sealed using the latest advances in technology.

DUO-LAYER BREATHABLE LINER

Coated fabric providing you with unsurpassed comfort & performance, just what you deserve & would expect from a top of the line garment.
